

Introduction:

LEA: Pacific Grove Unified School District **Contact (Name, Title, Email, Phone Number):** Ana Silva, Director of Curriculum & Special Projects, asilva@pgusd.org, 831 646-6526
LCAP Year: 2016-2017

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA’s goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA’s process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
<p>In an effort to involve a greater number of stakeholders, each site has had multiple meetings with a variety of stakeholder groups to discuss current site plan goals, which are all aligned to the district's LCAP goals and the eight state priorities. During this process, each of the sites shared the actions implemented throughout the school year along with the measurable outcomes for those actions. With this information, stakeholders were able to provide specific input and direction for actions to be implemented in this and the following school year. This was done intentionally to involve all stakeholders</p>	<p>Based on the various stakeholder meetings at the sites, along with the feedback from parents, students, teachers, classified staff, and community members, a majority of participants were satisfied with the goals and action plans the district and sites are implementing to address the District's goals and their alignment to the State's Eight Priorities. The district continues to have high graduation rates, low suspension, low expulsion, and low absenteeism rates, safe climate for student learning, and high student engagement.</p>

with multiple opportunities to provide feedback on annual updates and future goals in a meaningful way. Based on our experiences this year, we found that stakeholders were more interested in offering opinions and ideas that directly affected their respective school sites where their children would be impacted. For this reason, we felt the involvement process needed to be primarily at the site level. In order to reach a broader stakeholder group and provide direction for the district goals, a parent survey from WestEd was also sent out to parents. We received a total of 306 parent surveys. At the district level, we also had meetings representing both the Teachers and Classified Unions and the District English Language Advisory Committee. We also expanded our Technology Committee to include parents and other community members for input on the future Technology needs of the district as well as the implementation of a three year Technology plan.

The following are the meeting dates for each of the sites and the stakeholders involved in those meetings:

Pacific Grove High School:

Parents:

9/15/15, 2/25/16 Coffee with the Principal: Principal Bell invited parents to attend meetings where parents can openly discuss issues they are concerned about. Parents are concerned about drug use and the impact of social media with respect to cyber bullying. They were happy regarding the new dance policy.

3/16/16 Survey of parents revealed concerns regarding AP/honors accessibility, communication, and campus safety.

Students: The California Healthy Kids Survey was administered on 11/12/15. Surveys on 3/7/16 identified concerns regarding accessibility to AP and CTE courses and the correlation of assessments to instruction.

Site Council meeting dates: 9/28/15, 10/26/15, 11/26/15, 1/25/16, 2/22/16, 3/21/16. Topics discussed included a review of the site plan and Smarter Balanced Assessment results, review of previous student/parent surveys and concerns with students who are reporting serious depression, College support and communication to students.

Faculty/Staff: 9/21/15, 10/5/15, 4/4/16: Topics for discussion included Student

Stakeholders shared positive comments in all of these areas including the basic services provided by the district with its facilities, highly qualified teachers, and instructional materials provided for all students. The feedback and ideas presented at all meetings highlighted similar themes that are currently identified as goals in the Local District Accountability Plan (LCAP). Themes that stood out were related to College and Career readiness at the High School, attention to Career Technical pathways, open access to higher rigor classes (AP, Honors) for all students including subgroups, increasing communication/supports for college bound students, challenging students to be innovative and critical thinkers, and generating ideas for engaging parents of English language learners.

Themes that emerged reinforce and enhance the district's LCAP goals and priorities. The district will continue its ongoing efforts to support professional development opportunities to address the instructional shifts for English Language Arts, mathematical practices, and the implementation of the Next Generation Science Standards. We will also continue to build on the work of Instructional Leader Teams and the implementation of the Cycle of Professional Learning. The Professional learning focus will be developing Professional Learning Communities focusing on the analysis and evidence of student learning to support the learning for all of our students and identifying students who require additional instructional strategies in the classroom and those who require other intervention supports. English learners, economically disadvantaged students, foster youth, and students with disabilities will be closely monitored to ensure they are also supported academically, socially, and emotionally.

We will continue to support teachers with an Instructional Specialist Math Coach for grades 6-12 and add an additional support person for the elementary schools. To support Educational Technology and Data Analysis we will add another teacher on special assignment that will focus on the elementary schools. Therefore, the district will now be able to properly support teachers in this capacity TK-12 grades, with two teachers on special assignment, who will support teachers with instructional technology in the classroom.

To ensure students have access to Common Core aligned textbooks and materials, a new math program will be implemented at the high school that

Performance on Smarter Balance Assessments and the impact of the testing environment and schedule. Also discussed was the need for continued math intervention support classes. The faculty was surveyed regarding current and potential new goals for the 2016-2017 site plan.

PTA 9/22/15: Discussed student performance on Smarter Balanced Assessments in comparison to other schools in our county. PTA members were satisfied with the results for ELA and Math scores.

Community High School:

Faculty/Staff meetings: Weekly meetings each month: topics discussed and input from the staff included student achievement, targeted intervention, behavioral and academic expectations, technology implementation, integration of new State Standards for all content areas, and counseling services.

Students: Weekly meetings in August and monthly meetings in November, January, and February: Students shared the importance of being prepared for the workforce with resumes, cover letters, and interviewing skills. Students said they needed more vocational education and career pathways experiences.

School Site Council: August, September, January, April: Review of the site plan and its goals and discussed safety procedures.

Parents: Multiple meetings throughout the year to inform parents regarding school rules/procedures, student goals, graduation requirements, behavioral expectations.

Pacific Grove Middle School:

PTSA meetings: August, September, October, January. Topics discussed included assessment results for Smarter Balanced in English Language Arts, California English Language Development Test, and the Local Control Accountability Plan, site goals, struggling students who are identified for the after school Academic Intervention Program, reducing student stress, and social media education for parents and students. Several ideas from parents

aligns with the adopted math curriculum at the middle school. At our elementary grades 3-5, a new English Language Arts/ English Language Development program will be adopted for the 2016-2017 school year.

To provide ongoing support for students who require additional support in math we will continue to offer math support classes at the Middle and High School. For all students who require additional support in all core academic classes, we will continue to provide support classes, study halls, before/after school tutoring, a Summer School program, and specified intervention programs at the sites.

Due to the feedback from our English Learner families and an increase of our Hispanic families who represent the largest percentage of our English Language Learners, communication practices will be enhanced to reach out to this and other communities more effectively. English Language Advisory Committee (ELAC) meetings will be held quarterly with a welcome ELAC meeting early in the school year to inform parents of the English Language Development (ELD) program and discuss results of state assessments such as Smarter Balanced and California English Language Development Test (CELDT). Parents of our English learners will be invited to attend Language Review Team meetings biannually to keep parents up to speed on their child's academic/social progress. We will also seek the input from our English learners in an effort to meet their needs and improve the instructional program.

We will increase opportunities for students to provide feedback on the implementation of site goals as well as ideas to enhance student experiences academically, socially, and behaviorally. Parents will also be informed regarding the process for their students to be enrolled in honors/AP classes in the high school and how to this leads to college entry. We will take extra steps to invite parents of English learners to these meetings and provide translation services if necessary.

In response to concerns regarding Cyber safety and Cyber Bullying expressed by the community, parents, students, and staff, we will provide Digital Citizenship curriculum and provide Educational technology parent nights for the elementary, middle, and high schools.

included adding information to the school newsletter on understanding Smarter Balanced scores, holding an assembly teaching students strategies for reducing stress, and hosting social media parent nights at the beginning of the year.

School Site Council: September, November, February, April: Topics included the Eight State Priorities, Smarter Balanced results, site goals, Academic Intervention class, California Healthy Kids Survey results, math benchmark results, and English Learners Academic Intervention class. Site council members suggested that Benchmarks results be sent home and consider other math programs for home practice. Parents were generally pleased with the results of the California Healthy Kids Survey, but mentioned that bullying is still an issue to be continually addressed.

Students: 4/8/16 students were surveyed on: school climate, conflict resolution, teacher relationships, school safety, and academic success.

Students overwhelmingly (95%) report that they know the main goal of Middle School is preparation for high school and beyond.

- Only 5.7% of students reported that they don't know how to get help with their problems.
- Only 6.1% of students report feeling unsafe at school.

Areas of Improvement:

- 17.2% of students reported that their teachers don't make time to discuss grades, academic successes and areas of improvement with them and their parents.
- 19.9% of students reported that they don't look forward to coming to school most days. (School connectedness)
- 15.2% of student reported not regularly receiving encouragement from teachers and staff to make education a priority.

Based on the latter three areas of improvement, we need to focus on improving school connectedness by emphasizing CHILL activities that target inclusion for all students (site goal 3). Our second area of improvement is in the area of student-staff-faculty relations. The response to encouragement and discussion time is an area we can impact by sharing this information with staff and faculty. Coming up with a student contact tracking system (such as dot) that would ensure teacher-student discussion time and sharing (as we

have done in the past) methods and strategies for encouragement, that can be used immediately and ongoing.

Forest Grove Elementary:

School Site Council and other community members: Monthly meetings focused on Local Control Accountability Plan and School Site plan alignment with topics such as: basic facility needs, instructional program, parental involvement, school climate, and student engagement. Each meeting discussed one of these topics in depth and gathered ideas for improvement in each of the areas. Input for each of the categories is reflected in the site plan for 2016-2017.

English Language Advisory Committee: 10/27/15, 12/8/15, 3/8/16: Topics discussed the Local Control Accountability Plan and the instructional program for English Learners. Academic language was brought up as necessary to succeed in the classroom as well as the ability to write effectively. Parents appreciate having the opportunity to attend the ELAC meetings to build their community and stay informed. A training was held to teach parents how to access the PGUSD website and use Google Translate.

Students: 4/5/16: Students were asked to discuss their ideas on how to improve the instructional program and school climate. Students shared ways in which they learn more effectively, such as using white boards, hands on learning, and re-doing incorrect work along with direct help from the teacher or peers. They also suggested ideas to improve the school's climate such as having students sign a pledge for expected behavior, student greeters at assemblies, exercise acts of kindness.

Site Governance (grade level representatives, English Language Development teacher, Special Education teacher: Monthly meetings focused on: basic needs, instructional program, parental involvement, school climate, student achievement, and student engagement. Topics discussed included the implementation of a school-wide character development program, site budget, safety drills, math intervention, Next Generation Science Standards, and parent involvement for input/ideas.

Instructional Leadership Team: Monthly meetings focused on: basic needs, instructional program, parental involvement, school climate, student achievement, and student engagement. Ideas for each category were discussed to include the use of data to build class lists for 2016-2017 as well as planning collaboration time and maximized its effectiveness.

Based on the input from all stakeholder groups, academic goals for writing and math will be tracked through data collected through common formative assessments and review of student work in English Language Arts and Math. As part of this process, teachers will pay attention to students who are struggling especially English learners, students with special needs, and economically disadvantaged students.

Mindfulness training will be implemented at the class and school wide level to help build awareness among students and increase their level of focus and engagement in the classroom.

Annual Title I Parent Survey is sent out in the spring. We are awaiting results from this survey. As of now we have had 32/50 parents respond and 100% of the parents feel the program is valuable and helping their children make academic progress.

Robert Down Elementary:

School Site Council: Monthly meetings: Topics discussed: student achievement, school climate, technology, and safety. Topics discussed were: traffic and safety around the school, parental involvement, Measure A, cafeteria planning, playground update, and review of technology use in the classroom.

English Language Advisory Committee, staff members: Topics discussed: Local Control Accountability Plan, Smarter Balanced Assessment and California English Language Development Test results, school events and traditions, state standards implementation and its impact on English learners. Ideas from the group included using student made videos to teach information to new students who are new to the culture of American schools. Institute "Welcome Families" protocol to match hosting families with new families and create connections to the school community.

Students: 10/9/15, 2/12/16, 4/8/16: focus group of Kindergarten through 5th grade students were asked to discuss their thoughts on the following topics: school climate, instruction and learning, project based learning, technology, and student achievement/assessments. Generally students stated they love opportunities to do Science, Technology, Engineering, Math (STEM) activities. It builds their communication skills, confidence, and stamina. The garden program with its hands on learning is also very important to the students since they love hands-on learning. They appreciate being able to communicate using academic language during classroom discussions. Students also called for more technology use in the upper grades.

Faculty/staff: Monthly meetings: Topics discussed include: student achievement, instructional practices, school programs, Next Generation Science Standards (NGSS), school climate and the LCAP/Site Council survey results. Teachers discussed the need for more leveled books for small group guided reading with an focus on informational books. Other suggestions were planning time to design curriculum and resources for NGSS during the summer, as well as issues with Wi-fi connectivity during peak use periods. The size of classrooms is also an issue especially with large class sizes. Other issues discussed related to not having been able to use the Project room for its intended purpose and the need for a Transitional Kindergarten program at Robert Down.

District Meetings:

District English Language Advisory Committee (DELAC) April 27, 2016. English Language Advisory Committee(ELAC) members from both Robert Down and Forest Grove attended. The Local Control Accountability Plan was presented and reviewed with the committee members. There was discussion on the metrics for each state priority. Parents offered ideas for the three categories: Conditions of Learning, Pupil Outcomes, and Parent/Student Engagement.

- In order to advocate for their students, parents need more information about honor/AP placement and pathways from the middle school and at the high school. They called for an analysis of students who are not making it into these courses and identify the areas of need and how to address these. English learner parents need more information about how the US High School to College system works.

- To increase student engagement and gather student voices parents suggested survey questions designed in conjunction with the ELAC to be sent home so that students/parents could complete these together.
- To increase parent engagement and build a sense of community parents suggested a each site have a "Welcome Families" group. A new English learner family would be paired with an existing family. They also suggested the PTA provide a directory of activities in the community such as PG Recreation Center, Pony Baseball, Lyceum, YMCA & Sports Center, summer camps, etc., as well as some background information on local and American culture (example: what is summer camp?) and the basics of how the American school system functions; local event calendars with local events such as the Butterfly Parade, Good Old Days, Feast of Lanterns, holiday celebrations, etc. Parents also were impressed with the Language Review Team days and felt they wanted to be included in this day or as part of a follow up to discuss their student areas of strength and need.

Pacific Grove Teachers Association and Classified SEA: April 27, 2016
 Teachers and Classified Union leadership went over the annual update and the LCAP goals for 2016-2017. Both units agreed that classified staff, specifically instructional aides needed more opportunities for professional development to better support student needs. There were also ideas discussed for capturing classified staff's input on district related goals such as surveys or quick meetings during the school day. Classified staff need to be invited to staff meetings to engage in conversation for site plans to offer different perspectives. Some of the ideas offered were to send out a survey to those people who can't attend a meeting related to the site goals and send out minutes of staff meetings to classified staff. Both units also felt we should open the conversation to increase the enrollment into 9th grade honors as a gateway to AP.

District Public Hearing for the Local Control Accountability Plan is scheduled for May 19, 2016

District Local Control Accountability Plan will be presented to the board for approval on June 2, 2016.

<p>Annual Update:</p> <p>At all of the stakeholder meetings, sites shared their current site goals, actions, measurable outcomes and expenditures and received valuable feedback and ideas for consideration and implementation in the current and following school year. Some ideas could easily be implemented this year with minor adjustments while others require detailed planning and expenditures to execute in the next few years. Feedback from Stakeholders support the District's LCAP and Site Plan goals, actions, and expenditures. All of the 8 State priorities are represented in the District's five LCAP goals. Likewise, each site's plans are aligned to the district's LCAP goals. See the dates above for details and information regarding meetings at each of the sites.</p>	<p>Annual Update:</p> <p>As a result of the process for reviewing the District and each Site's goals for 2015-2016, the feedback from all stakeholder groups were generally positive. Comments from stakeholders reinforced the direction the district is moving towards achieving each of the goals identified in the Local Control Accountability Plan for the next three years. The stakeholder groups gave specific feedback related to each of the sites and this input directly impacts the actions and expenditures planned for 2016-2017 at the District level to support the actions and expenditures at the site level.</p>

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA’s goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Action/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning"?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes"?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement" (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL 1:	1. All students are performing at or above grade level and demonstrate 21st century learning skills with access to core programs, curriculum materials and technology aligned to Common Core State Standards in all content areas.	Related State and/or Local Priorities: 1 <input checked="" type="checkbox"/> 2 <input checked="" type="checkbox"/> 3 <input type="checkbox"/> 4 <input checked="" type="checkbox"/> 5 <input type="checkbox"/> 6 <input type="checkbox"/> 7 <input checked="" type="checkbox"/> 8 <input type="checkbox"/> COE only: 9 <input type="checkbox"/> 10 <input type="checkbox"/> Local : Specify

Complete a copy of this table for each of the LEA's goals. Duplicate and expand the fields as necessary.

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

<p>Original GOAL 1 from prior year LCAP:</p>	<p>1. All students are performing at or above grade level and demonstrate 21st century learning skills with access to core programs, curriculum materials and technology aligned to Common Core State Standards in all content areas.</p>	<p>Related State and/or Local Priorities: 1 <input checked="" type="checkbox"/> 2 <input checked="" type="checkbox"/> 3 <input type="checkbox"/> 4 <input checked="" type="checkbox"/> 5 <input type="checkbox"/> 6 <input type="checkbox"/> 7 <input checked="" type="checkbox"/> 8 COE only: 9 <input type="checkbox"/> 10 <input type="checkbox"/> Local : Specify</p>
<p>Goal Applies to:</p>	<p>Schools: All schools Applicable Pupil Subgroups: All students</p>	
<p>Expected Annual Measurable Outcomes:</p>	<p>All Students will have access to instructional shifts in English Language Arts and mathematical practices along with bridge materials aligned to Common Core State Standards and a new TK-12 math adoptions materials. 2015 will serve as a baseline year for student reports from the Smarter Balanced Summative assessment. We expect to improve our scores by 10% for all categories focusing on growth.</p> <p>The goal is to have 70% of students demonstrating meeting or exceeding the California Standards in English Language arts and Math.</p> <p>75 % of English learners are making annual progress in learning English, with a 25% Re-designation rate for English Learners.</p>	<p>Actual Annual Measurable Outcomes:</p> <p>All Students have access to instructional shifts in English Language Arts and mathematical practices along with bridge materials aligned to Common Core State Standards for ELA in grades 3-8. Grades TK-2 have ELA standards aligned materials. All students have access to standards aligned materials for math in grades TK-12. The baseline scores for SBAC were lower than expected, however we will use those as our baseline and project growth from these baseline scores for 2015-2016 results. We will expect to improve our scores by 10% for all students including subgroups with a focus on growth.</p> <p>Actual Smarter Balanced Summative Assessment results for 2014-2015 (please refer to data sheet for grade level scores for ELA/Math.</p> <p>SBAC ELA Meet and Exceed: All students: 67% Economic disadvantaged: 39% English Learner: 24% Reclassified EL: 66% Students with Disabilities: 24%</p> <p>SBAC Math Meet or Exceed: All students: 54% Economic disadvantaged: 27% English Learner: 39% Reclassified EL: 51% Students with Disabilities: 17%</p> <p>AMAO 1: Annual progress in learning English (2015-2015) 69.7% (state target 60.5%)</p>

	<p>AMAO 2: English Learners attaining proficiency in English: Less than 5 year cohort: 27.7% (state target 24.2%) More than 5 year cohort: 50.0% (state target 50.9%)</p>

<p>What changes in actions, services, and expenditures will be made as a result of reviewing</p>	<p>Upon reflection and review our goals will remain the same, however we will make some changes and adjustments to our actions and services to better meet the needs of our students. Districtwide, an of focus is math. Although we had several math support classes offered at the high school, we found there were still students who needed immediate intervention</p>		

past progress and/or changes to goals?	supports in all math classes. For this reason, in the 2016-17 school year, the support class will have its model changed to allow for short-term attendance narrowly focused on areas that the student has just recently proved needy. This year we designated a math coach position to address 5-12th grades. This was much too broad, and we realized the elementary teachers need more support. Next year we will continue with a math coach for the high and middle school and hire a math specialist for the elementary grades. The Smarter Balanced Interim Assessment Blocks were not as high quality as we hoped as a formative assessment too to impact instruction. As a result, English and Math departments at the middle and high school will be adding other assessments to supplement the data gained from these tests from their curriculum and the Illuminate Item banks. Elementary grades will be using existing curriculum assessments and IREADY diagnostics to identify student progress in meeting the standards. One of our elementary schools purchased IREADY as a diagnostic tool and next year we intend on using this diagnostic and progress monitoring tool to provide a consistent measure of student progress. We will also use Illuminate, our data information system, to better track student progress for local common formative assessments. This year, our English Language Development teachers attended the Bilingual Network meetings offered at the Monterey County office of Education. as a result of positive feedback, we will be incorporating this practice for 2016-2017.

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Original GOAL 2 from prior year LCAP:	2. All students have access to a broad course of study ensuring college and career readiness upon High School graduation.	Related State and/or Local Priorities: 1 _ 2 <input checked="" type="checkbox"/> 3 _ 4 <input checked="" type="checkbox"/> 5 _ 6 _ 7 <input checked="" type="checkbox"/> 8 _ COE only: 9 _ 10 _ Local : Specify	
Goal Applies to:	Schools: High School and the Middle School Applicable Pupil Subgroups: All students		
Expected Annual Measurable Outcomes:	<p>75% of High School students are on track to fulfilling A to G course requirements upon graduation or Career Pathways requirements.</p> <p>The baseline for the share of students determined to be prepared for college by the Early Assessment Program will be determined with the 2014-2015 SBAC results.</p> <p>2014-2015 results on students attending 2 and 4 year colleges will be a lag indicator and included once we have the information. 2013-2014 results 40% enrolled in 4 year college, 50% in 2 year college and 10% have other plans.</p> <p>Goal for 2015-16 is to increase enrollment to 4 year colleges to 50%.</p> <p>75% of Special Education students are enrolled in a 2 or 4 year college or attending a technical school.</p>	<p>Actual Annual Measurable Outcomes:</p> <p>75% of High School students are on track to fulfilling A to G course requirements upon graduation or Career Pathways requirements 2015-2016.</p> <p>In 2014-2015 the baseline for the share of students determined to be prepared for college by the Early Assessment Program was 45% college ready, 37% conditionally college-ready for English language Arts. Math: 21% college ready, 34% conditionally college-ready. The 2015-2016 results for the Early Assessment Program will be released in the summer of 2016.</p> <p>2014-2015 results on students attending 2 and 4 year colleges are 43% enrolled in a 4-year college and 52% enrolled in a 2-year college. 5% have other plans. 2013-2014 results 40% enrolled in 4 year college, 50% in 2 year college and 10% have other plans.</p> <p>XX% of Special Education students are enrolled in a 2 or 4 year college or attending a technical school (waiting for end of year 2016 information).</p>	
LCAP Year: 2015-16			
Planned Actions/Services		Actual Actions/Services	
	Budgeted Expenditures		Estimated Actual Annual Expenditures
2.1 Continue building CTE (Career Tech Education) pathways offerings and continue to build partnerships with local business for student internships	2.1 Substitute costs for planning and visitation of Monterey High 1000-1999: Certificated Personnel Salaries General Fund \$1000.	2.1 Continue building CTE (Career Tech Education) pathways offerings and continue to build partnerships with local business for student internships	2.1 Substitute costs for MPC Articulation colloquiums 1000-1999: Certificated Personnel Salaries General Fund \$146.00

Create and develop new CTE offerings to be implemented in 2016-2017
 CSIS 75 & 76, Sports Medicine II , and Culinary Arts/Hospitality. Increase student awareness for these offerings and begin recruitment through the counseling office.

- PGHS will use weekly collaboration in 2015-16 to organize Academic Academies that will enhance our CTE pathways for 2016-17: Science, Technology, Engineering, Arts, and Mathematics (STEAM Academy) or Visual and Performing Arts (VAPA Academy), Health Sciences Academy, Info Tech Academy, and/or Culinary-Hospitality Academy. Teachers will visit Monterey High School to observe and discuss their CTE academies

In addition to these CTE focused academies, PGHS will determine if a 9th/10th grade AVID Academy/PLC will benefit all programs and enhance A to G requirements being met.

- New CTE Offerings for 2016-17 Sports Medicine II will be offered in 16-17. Instructor visited anatomy and other science courses to explain changes in program to become more medically broad (eg. nursing, radiology, phlebotomy). Computers (CSIS) and Culinary did not increase their sign ups to provide new sections.

- CTE Incentive Grant Awarded to district with plans to build improved CTE Pathways program for 2017-18 through articulations with PGMS and Monterey Peninsula College (MPC)

- Articulation efforts increased with MPC for Computers and Culinary Pathways: Three courses articulated (eg. students earn MPC credit once they graduate and take 6.0 units at MPC).

- Assistant Principal, Computers instructor, and PGHS counselors attended MPC Articulation Colloquium in Fall and Spring.

- Efforts to begin STEAM Capstone Project program began in August 2015. Student and parent town halls occurred in November and January, respectively. Unfortunately, program cannot be offered for 2016-17 due to lack of funding.

- Continued purchasing CTE equipment for improving programs: Culinary professional oven, photography cameras, and graphic design/art editing table

2.1 Perkins Grant purchases - Culinary Oven and Art/Photo Cutting table 4000-4999: Books And Supplies Other \$8,622

2.1 AVID Cornell Notebooks for all 9th and 10th graders 4000-4999: Books And Supplies Other \$2,400

2.1 Articulation Stipends 1000-1999: Certificated Personnel Salaries Other \$2,500

2.1 UCCI Stipends for 2016 Summer training 1000-1999: Certificated Personnel Salaries Other \$1,500

2.1 UCCI Summer Institute fees 5000-5999: Services And Other Operating Expenditures Other \$2,900

		<ul style="list-style-type: none"> • 9th/10th AVID Academy/PLC not created in 2015-16, but will be considered for 2016-17. However, AVID Cornell notebooks purchased for all 9th and 10th students to promote note taking. • Articulation stipends for CTE teachers to create CTE foundation and MPC-level courses - Depending on CTEIG GAN being received/signed • University of CA Integrated Curriculum (UCCI) stipends for summer training: Academic and CTE teacher pairings for French Culinary and Government Cyber Security • Assistant Principal and Library Media teacher attended Linked Learning Convention February 4-5, 2016 to learn about expanding CTE Pathways and create mentoring/internship program

<p>What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?</p>	<p>PGHS has added an additional CTE course (Sports Med. II) to establish a CTE pathway and has established a CTE director to strengthen course alignment with local post-secondary institutions. Corresponding expenditures are being made at the district level. As the A-G goal of 75% was met this year, it was raised to 80%. PGHS also added an AP Computer Science course to encourage more students to sign up for AP courses and to give a wider range of AP options. At-risk students continue to be a concern and so collaboration time is being dedicated each month to discuss and design action to help those identified. Also, collaboration will occur during the fall of 2016 with the middle school and the PE department to absorb the current discreet fundamental computers course and the health course to allow students more flexibility in taking courses - primarily CTE - during their high school career.</p>

<p>What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?</p>	<p>We want to increase the amounts of parents responding to the district wide survey from West Ed. We had roughly the same amount of respondents this year as last year. We will increase communication regarding the survey well before it comes out through site newsletters and an email blast. We will continue to give the California Healthy Kids Survey every year and analyze the results to programs at the sites. The student survey at the high school revealed busy schedules were a predominant issue listed as an obstacle to academic success.</p> <p>In response to the student survey identifying busy schedules as a predominant issue listed as an obstacle to academic success, the leadership team felt that a natural response was to more fully employ AVID teaching strategies, particularly with organization, across the high school. Thirteen teachers and two high school counselors will attend Avid's Summer Institute in 2016. The goal is to be consistent with student expectations around organizational strategies for 2016-2017. It was an interesting contrast to the parent survey that showed that most parents felt that the amount of homework and outside activities were about right. That amount, by the way, was approximately 5 hours outside of school.</p>

Information provided during this training gave staff resources and tools necessary to identify students at risk and provide interventions. CSJOA, and California Safe School Annual Conference Did not attend this conference this year. We aim to send SRO, Campus Supervisors and district personnel next year when it returns to our area. Attend Monterey County Office of Education conference on Campus Security issues PGUSD staff did not participate in this training this year. Update Radio technology at all district school sites District Radios and peripherals are 	<p>\$27,223.00 5000-5999: Services And Other Operating Expenditures General Fund</p> <p>Youth Mental Health First Aid District Training MCOE 740.00</p> <p>Impact of Social Media Training 2,264.00</p> <p>Radio replacement to Facilities Director 4000-4999: Books And Supplies General Fund 3269.67</p> <p>Remind Notification System No impact</p> <p>Contract for Services Wonder Woofs Narcotic Dogs 5000-5999: Services And Other Operating Expenditures General Fund \$1000</p> <p>Replacement Uniforms for Campus Supervisors 2,263.64</p> <p>District wide Surveillance System Measure A Fund 21</p> <p>Community and Human Services Contract 0000: Unrestricted 5,205.00</p> <p>Radio Replacements to sites (Merma) General Fund 6938.36</p>

- replaced as needed.
 - District Radios
 - Radio Replacement
 - Battery Replacement
 - Charging Station Replacement
 - AED Equipment/Monitoring/Reports
- The high school purchased a 6 new walkie talkies and a number of replacement batteries along with programming services to update and replace aging communications system.
- Implement District Wide Family Notification System: REMIND System
 - All site principals have the capacity to send students and families text messages related to site activities. District personnel use the REMIND Notification system to inform families of emergencies that happen in real time.
 - Contract for Services with Wonder Woofs Narcotic Dogs PGUSD to make regularly scheduled site visits throughout the district as a preventative measure to deter drug use.No Impact to Safety Budget as this was paid from site funds. The high school allocated \$1000 from their budget to have the dogs come to their campus.
 - Impact of Social Media on Schools and Community
- Forum
- This community forum was in response to identified student misuse of social media that resulted in a negative impact to our schools and community.

- District-wide surveillance system
- All sites in the PGUSD have upgraded their surveillance equipment

- District Safety Officer, , and Campus Supervisor Salaries
- Part or all salaries of these positions are covered by safety funds

- Community and Human Services Contracts

- Suspension Data Report to PGUSD School Board
- This report focused on trends in student violation of Ed. Code section 48900 throughout the district. Future discussion will revolve around alternatives to suspension and district-wide training and implementation of Restorative Justice in the 2016-2017 school year.

- CHKS report to PGUSD School Board

- The high school surveyed student and parent perceptions on safety on campus. Both groups responded with highly positive outlook in this area. Parents still felt that drug use was the number 1 issue to address.

<p>What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?</p>	<p>Each year, PGUSD safe school teams participate in at least one professional development training in school safety. This year, in a response to student misuse of social media, a second opportunity was provided to all stakeholders to participate in a community forum on the impact of social media on our schools and community. Additional hours in safety services to our schools by professional consulting contracts increased the safety budget for this year, The projected budget increase for safety next year and years after will reflect those additional contracts and service hours.</p>

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		Based on the input of our classified staff and certificated staff, we will increase professional development opportunities for instructional aides who support students in the classrooms. With the addition of new curriculum and software programs, instructional aides need specific training on these curricula.		

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	<u>\$443,437</u>
<p>Students who are struggling academically are our first priority. Every year our intervention program is expanded and funding is increased to ensure we are providing the supports for students who require additional supports, specifically for English Learners, low income pupils, foster youth and students with disabilities. We offer intervention programs at the elementary, middle and high school. Throughout the year, at our elementary schools, intervention supports include a Multiple Tiered System of Supports (MTSS) where teachers collaboratively analyze student work and assessments to identify student needs and differentiate instruction accordingly within and across the grade level. Students who require additional supports receive tier 2 and 3 supports provided by additional certificated staff, instructional aides, and Special Ed Certificated Staff. For students who require additional supports, we have two full time general education teachers, Special Education Certificated staff, and instructional aides who provide additional supports with a pull out and push in model. Students are monitored weekly to ensure they are progressing in meeting the academic standards. We also offer READ 180 supports for students who are behind grade level in reading for students in 4th and 5th grades. These classes support our English Learners, Special Needs, and any other students who is not successful in meeting the grade level English Language Arts and literacy standards. To support our English learners, we have two designated English Language Development teachers (ELD) at each of the elementary schools who provide additional supports for our English Language Learners. These teachers also work in conjunction with the intervention teachers to ensure the instructional targets are met in a coordinated effort. The designated ELD teachers also support English learners with a push in and pull out model. To ensure our most challenged students do not fall behind academically and continue to receive targeted instructional supports, we offer a four week summer school program for grades k-8. Our summer school is designed to meet the needs of our English Learners, Special needs, and low income pupils.</p> <p>The middle and the high school intervention programs also follow a Multiple Tiered System of Supports. Students at the middle and high school have a variety of support classes offered such as Math 180, Read 180, Math tutoring, English Language support, study hall, and before/ after school academic tutoring. The middle school added an after school academic intervention class specifically for our newcomer and other English learners. Special Education teachers work closely with General Education Teachers to provide additional supports through Tier 2 and 3 interventions at the middle and high school.</p>	

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

2.62	%
------	---

Pacific Grove Unified School District's is committed to ensuring all students succeed academically. Students who are challenged in any way receive additional supports to ensure equity in achieving academic goals. The district uses the funds district wide through intervention programs to meet the unique needs of our subgroup populations. The district fully funds all intervention programs TK-12 grade through a variety of programs such as: Summer School, before/after school tutoring, English Language Arts and Mathematics intervention programs through the Response to Intervention model, while making full use of all resources and staff to meet the needs of any student who is needing additional assistance academically to meet the California State Standards. Pacific Grove Unified has a total of 2,084 students, 138 (6.6%) are English Learners, 403 (19.3%) are Low Income Pupils, 1 (.0001%) are Foster Youth, and 208 (9.9%) are Special Education Students.

Section 4: Expenditure Summary

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).
